

Energy saving lamps (Cat. B) Resources potential

Product recipient :
Indaver NV - Molenweg 3 - Haven 1940 - B-9130 Doel
www.indaver.be

Old product treated under
the responsibility of
ecutrel
association sans but lucratif

- Raw material use:
 - preparation for reuse
 - material recycling

- Energetic use:
 - production of a substitute fuel
 - energetic recovery

- Landfill/incineration/losses:
 - landfill
 - incineration
 - losses

Most important output streams

Raw material use:

Non-ferrous metals
(aluminium/copper)

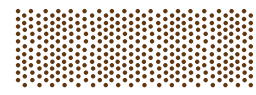

Iron

Energetic use:

Plastics

Landfill/incineration/losses:

Fluorescent powder with rare earths

Plastics
