

Plastic containers PE bucket including lid LDPE

Resources potential

Product receiver:
Grannex Recycling-Technik GmbH & Co. KG
www.grannex.de

- Raw material use:
 - preparation for reuse
 - material recycling

- Energetic use:
 - production of a substitute fuel
 - energetic recovery

- Landfill/incineration/losses:
 - landfill
 - incineration
 - losses

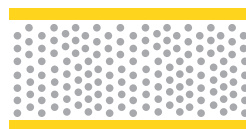

Most important output streams

Raw material use:

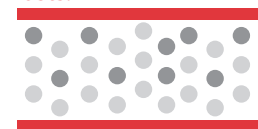

Regranulate PP

Energetic use:

Dust losses

Landfill/incineration/losses:

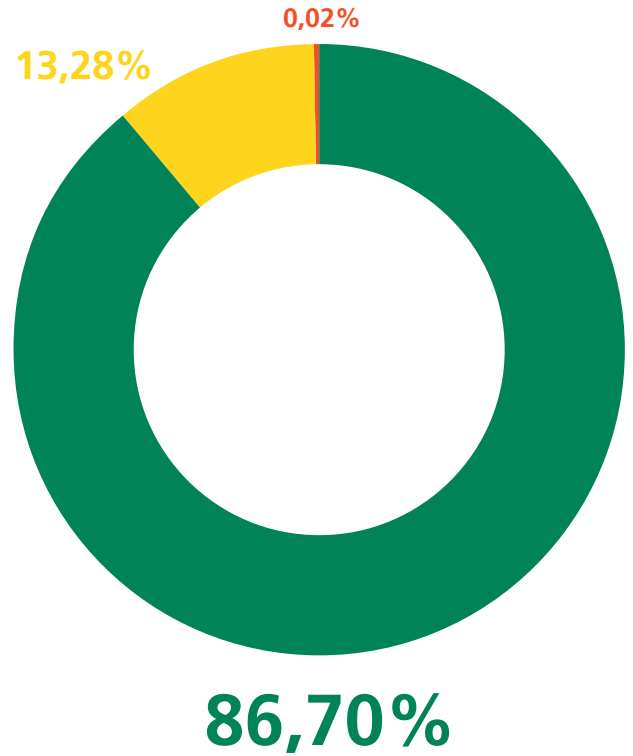

Losses

Plastic containers bucket PP incl. lid PP
