

Spraycans - Resoures potential

Product receiver:
Seiba Entsorgungstechnik GmbH
www.seiba-entsorgungstechnik.de

● Raw material use:
- material recycling
- preparation for re-use

● Energetic use:
- production of a substitute
fuel
- energy recovery

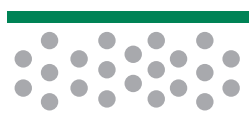

● Landfill / incineration / losts:
- landfill
- incineration
- losts

Most important output streams

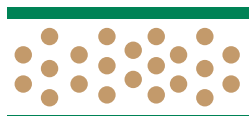

Raw material use:

PE / PP sealing caps

Aluminium

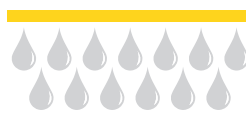

Iron scrap

Energetic use:

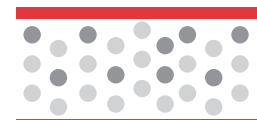

Gases for thermal use

Liquid active ingredients

Landfill / incineration / losts:

Material impurities
