

# Fluorescent lamps (Cat. A) / Fluorescent lamps > 1,5 m (solarium) Resources potential

Product recipient :

Indaver NV - Molenweg 3 - Haven 1940 - B-9130 Doel

www.indaver.be

96,46%

Old product treated under  
the responsibility of

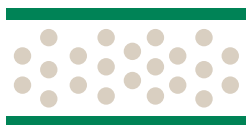

- Raw material use:
  - preparation for reuse
  - material recycling

- Energetic use:
  - production of a substitute fuel
  - energetic recovery

- Landfill/incineration/losses:
  - landfill
  - incineration
  - losses

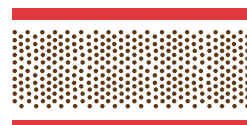

## Most important output streams

Raw material use:

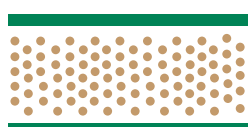

Glass

Landfill/incineration/  
losses:

Fluorescent powder with rare earths

Non-ferrous metals  
(aluminium/copper)

Iron
