

# Incandescent and halogen lamps

## Resources potential

Product recipient :  
Indaver NV - Molenweg 3 - Haven 1940 - B-9130 Doel  
www.indaver.be

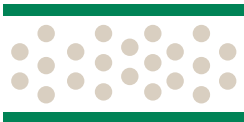

- Raw material use:
  - preparation for reuse
  - material recycling

- Energetic use:
  - production of a substitute fuel
  - energetic recovery

- Landfill/incineration/losses:
  - landfill
  - incineration
  - losses

### Most important output streams

Raw material use:

Glass

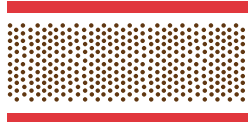

Non-ferrous metals  
(aluminium/copper)

Iron

Landfill/incineration/losses:

Residual fraction
